Text

Short text	Lightweight low-cut socks
Marketing Summary	These technical low-cut socks stand out for their lightness and high level of comfort, thanks to their cotton content and loop-knit sole. Cordura® reinforcements help preserve the integrity of the socks and extend their lifespan.
Web Technical Details	Composition: 62% cotton – 26% polyamide – 9% Cordura® – 3% elastane Durability: Cordura® reinforcements in high-friction areas (pre-heel, heel and toe) help prevent premature wear and holes. Comfort: The double elasticated ribbed cuff and the predominantly cotton composition make the socks comfortable to wear. Breathability: The ventilated zone promotes airflow around the foot, while the cotton composition naturally absorbs perspiration during activity.
