Web Technical Details	Composition: 65% polyester, 35% cotton twill - 245 g/m² Protection and durability: Reinforced knees extend its lifespan. Breathable comfort: The bib can be folded inwards thanks to the Flexi-Top system. This controlled opening facilitates air circulation in warm weather while preventing the risk of snagging. Clever multi-pockets: Its numerous pockets facilitate your daily organization: 2 zippered chest pockets (one horizontal and one vertical), 2 side pockets, 2 hand loops for direct access to your trouser pockets, 2 thigh pockets with flap and hook-and-loop closures and 1 ruler pocket, 1 back pocket with flap and hook-and-loop closure. Easy to put on: Its double closure allows for quick and easy donning, without contact with the ground to limit the risk of contamination on your farm. Adjustable and comfortable: Adjustable cuffs and leg openings with tabs and hook-and-loop closures allow for a customized fit to minimize soiling. Its back pleats and elasticated waistband at the sides and back add extra comfort. A clever detail: Thanks to the straps at the bottom of the legs, the Easy Feet system helps you easily tuck the suit into your boots.
