Text

Short text	HV quilted water-repellent jacket with removable sleeves
Marketing Summary	This high-visibility, fleece-lined jacket provides excellent protection on cold days. Its quilted fleece construction offers warmth and comfort, while its water-repellent treatment protects you from light rain. Certified to EN 20471, its retroreflective strips enhance your visibility in low light conditions.
Web Technical Details	Composition: 300D Oxford fabric, waterproof 2000 mm, 100% polyester with polyurethane coating – 190 g/m². Mesh lining: 100% polyester – 60 g/m². Padding: 100% polyester – 200 g/m². Total weight: 440 g/m². Water repellency: Certified EN343: 2019, its water-repellent treatment and taped seams protect you from light rain. Its retractable and drawstring-adjustable hood completes this protection. The hook-and-loop closure placket offers additional protection against the elements and protects sensitive surfaces. Enhanced visibility and safety: Certified EN ISO 20471+A1, Class 2, your safety is enhanced in hazardous environments.Its
