Text

Short text	Durable jacket – zero exposed metal
Marketing Summary	This metal-free jacket will be a faithful companion through the seasons. Its design allows for easy movement during your busy days. Large, strategically placed pockets provide easy access to your tools.
Summary Marketing Shorts (240c)	0
Web Technical Details	Composition: 100% cotton twill - 320g/m² Functional: Its numerous pockets facilitate your daily organization: 2 chest pockets with flap and hook-and-loop closures, and 2 kangaroo pockets with flap closures. Fit and comfort: The cuffs, closed with a plastic snap button and featuring tear-resistant vents, allow for an optimal fit to minimize soiling. The elasticated waist and 2 back pleats provide additional comfort. Zero exposed metal: Designed without metal, this jacket guarantees increased safety in environments exposed to electrical hazards. Clever details: Its high collar effectively protects you from wind and cold. Its closure is covered with a flap and hook-and-loop closure, protecting car bodies or other sensitive surfaces.
