Text

Short text	Multi-pocket HV jacket
Marketing Summary	This high-visibility jacket is ideal for a variety of environments. Certified EN 20471+A1, its fluorescent color and retroreflective strips enhance your visibility both during the day and in low-light conditions. Practical and convenient, it features multiple pockets to keep essentials close at hand.
Web Technical Details	Composition: 54% cotton, 46% polyester twill – 300 g/m ² Durability and resistance: Its various reinforcements (lower back, elbows, pockets) extend its lifespan. Enhanced visibility and safety: Certified EN ISO 20471+A1, class 2, your safety is enhanced in hazardous environments. Its fluorescent color and retroreflective strips increase your visibility in low-light conditions. Clever multi-

pockets: Designed for maximum practicality, its numerous pockets facilitate your daily organization: 2 gusseted chest pockets with flap and hook-and-loop closures, and 2 lower pockets. Adjustable and comfortable: The snap-fastened cuffs allow for a customized fit to minimize soiling. The adjustable waist with tab and hook-and-loop closure adds further comfort. Clever detail: Its stand-up collar and long back protect you from wind and cold.
