Text

Short text	Water-repellent and warm quilted jacket with removable sleeves
Marketing Summary	Designed for winter conditions, this jacket effectively protects you from the cold and damp thanks to its water-repellent fabric and internal padding. Compliant with EN ISO 14058 standards, it's ideal for temperatures as low as -5°C. Built for everyday wear, it combines practicality and durability, with multiple pockets and reinforced areas in high-wear zones.
Summary Marketing Shorts (240c)	0
Web Technical Details	<p>Waterproof: Its fabric, reinforcements and waterproof seams prevent moisture absorption and protect you from bad weather. The double flap with hidden snap buttons provides additional protection against the elements and preserves sensitive surfaces.</p> <p>Adaptable: Its removable sleeves allow an easy switch from a jacket to a sleeveless vest.</p> <p>Thermal comfort: Its inner padding effectively insulates you from the cold and retains body heat for longer. Certified EN ISO 14058, it allows you to withstand temperatures down to -5°C.</p> <p>Smart multi-pockets: Designed to be ultra-practical, its numerous pockets make daily organization easier: 2 large lower pockets with flap and snap button, 1 chest pocket with zip under flap, and 1 inner chest pocket with hook-and-loop fastening.</p> <p>Reinforced protection: Its waterproof Oxford 500D reinforcements (shoulders, elbows, pocket flaps) provide increased resistance to wear on high-stress areas. These strategic reinforcements extend its durability.</p> <p>Adjustable and comfortable: The semi-elasticated cuffs provide a tailored fit to help reduce dirt exposure. The elasticated waistband adds extra comfort.</p>

Smart detail: Its stand-up collar, raised at the back and fleece-lined, provides protection against wind and cold. A zip at the bottom of the back makes branding easier.
