Web Technical Details

Limits liquid absorption: The water-repellent treatment reduces liquid absorption, preventing stains from quickly penetrating the fabric and keeping your trousers cleaner for longer.

Great freedom of movement: The 4WAY STRETCH technology moves with you in all directions, allowing you to work freely. Its ergonomic and pre-shaped fit naturally follows the curve of your leg for added comfort.

Longevity and durability: Its Ripstop fabric, known for its resistance, reduces the risk of tearing. Reinforcements at the inseam, knees, lower legs, and triple-stitched seams extend its lifespan.

Smart multi-pockets: Designed to be ultra-practical, its numerous pockets make daily organization easier: 2 hand pockets, 1 right thigh pocket with zipper and gusset, 1 left thigh pocket with flap and additional pocket, 1 tape measure pocket, 1 back patch pocket. Additionally, the hammer holder attachment keeps your tool within reach.

Support and stability: Its elasticated, anti-slip waistband, higher at the back, ensures a good fit to your shape. Its 5 wide belt loops keep the belt stable during movement.

Metal free: Designed without metal, these trousers offer increased safety in situations exposed to electrical hazards.
