Text

Short text	Lightweight and breathable polo shirt
Marketing Summary	Specifically designed for landscaping professionals, this polo shirt is lightweight and comfortable. Its soft knit fabric allows for excellent breathability and freedom of movement. The structured collar and refined details give it a stylish, professional look.
Summary Marketing Shorts (240c)	Designed for landscaping professionals, this polo shirt combines lightness and comfort. Its breathable knit moves with you, and its structured collar with refined finishes provides an elegant, professional style.
Web Technical Details	Breathable comfort: Its fabric provides an optimal balance between absorption and quick drying. Ideal for hot weather, its cotton quilted knit absorbs perspiration, while the polyester accelerates moisture evacuation. Ease of movement: Its side-split hem lets you naturally follow the movement of the hips. Meticulous finishing: Its contrasting ribbed collar with neckband offers fit and comfort. Easy to wear: Its 3-button placket opening offers a wide head loop. Easy care: The cotton-polyester blend makes maintenance easier and reduces wrinkling.
