Text

Short text	Lightweight and durable stretch trousers – zero metal
Marketing Summary	These lightweight, metal-free work trousers meet the essential needs of professionals in construction, trades, and industry. Sleek and functional, they move with you thanks to their stretch fabric. Reinforced knee pad pockets add extra comfort when working on the ground.
Summary Marketing Shorts (240c)	Lightweight and metal-free, these trousers meet the essential needs of landscaping professionals. Their stretch fabric moves with you, and reinforced knee pad pockets add extra comfort during ground work.
Web Technical Details	Comfort and flexibility: Its stretch fabric naturally adapts to your movements. Ideal for hot weather: Lightweight and breathable, its composition allows moisture evaporate efficiently. Protection and durability: Its Ripstop fabric provides the same resistance as a pant 20% thicker, reducing the risk of tearing. The reinforced knee pockets made of waterproof Oxford 150D fabric add extra comfort during extended ground work, in combination with the INOX 028300 knee pads.

	Functional: Multiple pockets for easy daily organization: 2 hand pockets, 1 tape measure pocket, 1 left thigh pocket with flap and Velcro, 1 back pocket. Support and stability: Its elasticated waistband on the sides ensures a perfect fit to your body shape, while its 5 wide belt loops keep the belt stable during movement. Metal free: Designed without any metal, these pants offer increased safety in situations exposed to electrical hazards. Smart detail: The magic hem can extend the leg length by 2 inches, adapting to your size.
