Short text	Lightweight and durable stretch jacket - metal-free
Marketing Summary	Designed without metal, this lightweight and comfortable jacket meets the demands of industry. Its stretch fabric moves with you.
Summary Marketing Shorts (240c)	Designed without metal, this lightweight and comfortable jacket meets the demands of industry. Its stretch fabric moves with you.
Web Technical Details	Comfort and flexibility: Its stretch fabric naturally adapts to your movements. Ideal for hot environments: Lightweight and breathable, its composition allows moisture to evaporate efficiently. Protection and durability: Its Ripstop fabric, known for its resistance, minimizes the risk of tears. Limits liquid absorption: With a predominantly polyester composition, this fabric reduces liquid absorption, preventing substances like oil from quickly penetrating and staining the fabric. Functional: Multiple pockets for easy daily organization: 1 chest pocket with flap and Velcro, 2 lower pockets. Adjustable and comfortable: The adjustable cuffs provide a tailored fit to help reduce dirt exposure. The elasticated waistband adds extra comfort. Metal free: Designed without any metal, these jacket offers increased safety in situations exposed to electrical hazards. Smart Details: Its high collar protects you from wind and cold. Its zip front closure is covered by a flap with Velcro, preventing damage to sensitive surfaces.
