Text

Short text	Lightweight stretch jumpsuit with simple zipper - metal free
Marketing Summary	Perfect for industry professionals working in hot environments, this single-zip coverall is lightweight and breathable. Its stretch fabric makes it exceptionally comfortable, allowing you to work with ease all day long.
Summary Marketing Shorts (240c)	0
Web Technical Details	Comfort and flexibility: Its stretch fabric and the back gusset naturally adapt to your movements. Ideal for hot environments: Lightweight and breathable, its composition allows moisture to evaporate efficiently. Protection and durability: Its Ripstop fabric provides the same resistance as coveralls 20% thicker, reducing the risk of tearing. The reinforced knee pockets made of waterproof Oxford 150D fabric add extra comfort during extended ground work, in combination with the INOX 028300 knee pads. Functional: Multiple pockets for easy daily organization: 2 zippered chest pockets, 1 reinforced thigh pocket for your

	phone, and 2 hand openings for direct access to your coverall pockets. Adjustable and comfortable: The elasticated cuffs and leg openings with Velcro closures provide a fit that helps reduce dirt exposure. The elasticated waistband adds extra comfort. Metal free: Designed without metal, this coverall offers increased safety in situations exposed to electrical hazards. Smart detail: Its zip fastening is covered by a flap with Velcro, protecting car bodies and other sensitive surfaces.
