| Web Technical Details           | Comfort and flexibility: Its stretch fabric naturally adapts to your movements. Its lightweight material                                                                                                                                                                              |

provides extra comfort.

Longevity and durability: Its various reinforcements (knees and back) extend its lifespan.

Protection and safety: Its EN 14404+A1 certified knee pockets, reinforced with waterproof 300D Oxford, protect your knees during prolonged ground work when used with INOX kneepad 028300.

Support and Stability: Its elasticated waistband on the sides ensures a perfect fit to your body shape, while its 5 belt loops, including 1 wide, keep the belt stable during movement.

Functional: Its 2 reinforced, retractable multi-compartment floating pockets keep your tools within easy reach. The left pocket offers practical volume for nails and screws, while the right pocket includes 2 tool-holder sub-pockets. When not in use, they fold neatly into the hand pockets. Multiple additional pockets help you stay organized throughout the day: 2 reinforced hand pockets, 2 retractable floating multi-compartment pockets, 1 left bellows pocket with flap and hook-and-loop fastening with integrated tool holder, 1 right ruler pocket, 1 left back pocket with flap and hook-and-loop fastening, and 1 right bellows back pocket with flap and hook-and-loop fastening.

Metal Free: Designed without any metal, these trousers offer increased safety in situations exposed to electrical hazards.
