

PARADOXE ETJ78

Code : 23319

Type : produit

Attribute set : PANTALON / JEAN

Article > Product

Description

Name	PARADOXE ETJ78
Reference	1926ETJ78
Article designation	PARADOXE-pant 4WAY stretch poches volantes PG+ETJ

Classification

Typology	WORKWEAR CLOTHING
Range	4 WAY STRETCH
Main profession	Construction DIY CRAFTS
Season	Autumn / Winter
Brand	LMA WORKWEAR
Gender	MAN
Release status	New Permanents followed
Model	JEANS

Article > Product sheet

Style

Basic cut	METAPHORE 1917
Length inseam	78 - 83 cm
Magic hem	+ 5 cm
Colour	Blue
Shade	Dark blue
Open Size	T 36-T 60

Features

Matter	Majority Polyester / Polyamide
Main composition	92% polyamide 8% elastane
Main fabric weave	ripstop

Copyright © LEBEURRE

Weight	260 g/m²
Composition of reinforcement	300D waterproof oxford 100% polyester 175 g/m² 70D x 160D ripstop
Inseam reinforcement	back main material double thickness of fabric
Knee reinforcement	70D x 160D ripstop
Lower leg reinforcement	300D oxford front and back

Finishes

Yoke	crotch on the bottom of the legs
Topstitching	contrasting triple
Stopping points	contrasting red
Piping	retroreflective on the pocket flap(s)
Product specifications	hammer holder attachment stretch zero metal
Branding	embroidery on pocket LMA pattern back 4WAY Stretch ahead

Belt

Closed by	flexible 4-hole plastic button Ø 20mm
Unzips	plastic injected zip
Composed by	6 loops wide back loop
Belt features	elasticated waistband on the side lumbar raise

Pockets

Number of pockets	multi-pocket
Hands pockets	Square Western
Front pocket (symmetrical)	retractable floating with multiple compartments
Left thigh pocket	closed with flap and Velcro extra pocket closed with zip flat fold
Right thigh pocket	plated closed with zip bellows with meter door opening
Right back pocket	plated
Kneepad pocket	1 position at volume 70D x 160D ripstop top loading

Short text	Ultra-stretch, durable trousers with floating pockets and knee pad pockets - zero exposed metal
Marketing Summary	High-performing and stretchy, these trousers feature 4-way stretch technology for exceptional freedom of movement. The ripstop fabric and well-designed reinforcements resist snags and extend their lifespan. A water-repellent treatment limits liquid absorption, protecting you in light rain. Reinforced knee pad pockets protect your knees during ground work. Bonus: cleverly designed, retractable floating pockets allow you to strategically store and access your tools instantly.
Summary Marketing Shorts (240c)	High-performance and stretchy, these 4-way stretch pants ensure great freedom of movement. Durable and water-repellent, they protect against snags and light rain. Reinforced knee pads and floating pockets offer both protection and practicality.
Web Technical Details	Composition: Water-repellent ripstop fabric, 92% polyamide, 8% elastane - 260 g/m² Reinforcements: Waterproof 300D Oxford fabric, 100% polyester - 175 g/m² Great freedom of movement: Its 4WAY STRETCH technology adapts to your movements in all directions, allowing you to work freely. Its ergonomic, pre-shaped cut naturally follows the curve of your leg for greater comfort. Durability and resistance: Its ripstop fabric, known for its resistance, limits the risk of tearing. Its various reinforcements (crotch, knees, lower legs, triple stitching) extend its lifespan. Limits liquid absorption: Its water-repellent treatment limits the absorption of liquids, preventing stains from quickly penetrating the fabric and keeping your trousers cleaner for longer. Protection and safety: Its knee pad pockets, reinforced with Oxford Ripstop fabric, protect your knees during prolonged work on the ground. Their top-loading design allows for quick and easy donning of the INOX 028300 knee pad. Clever multi-pocket design: Designed for ultimate practicality, its numerous pockets simplify your daily organization. Two reinforced, retractable floating pockets with intelligent compartments optimize the organization of your tools. The left pocket offers maximum volume, specifically designed to store a large quantity of nails and screws, while the right pocket incorporates two tool pockets. Ingeniously, these fold smoothly into the hand pockets when not in use. Numerous other pockets are also included: two hand pockets, one zippered gusset pocket on the right thigh, one ruler pocket, one closed left thigh pocket with a zippered pocket, and one patch pocket on the back. Additionally, a hammer loop keeps your tool within easy reach. Support and stability: Its elasticated waistband at the sides, anti-slip and raised at the back, ensures a comfortable fit. Seven belt loops, including one extra-wide loop, stabilize the waistband during changes in position. Zero exposed metal: Designed without metal, these trousers guarantee increased safety in situations where there is a risk of electrical damage. Clever detail: The magic hem can lengthen the leg by 5 cm, adapting to your height.
