Text

Short text	Stretch trousers with holster pockets and kneepad - metal-free
Marketing Summary	These metal-free trousers combine comfort and resistance. Its stretch fabric allows freedom of movement, while the EN 14404+A1 certified reinforced knee pockets protect your knees during ground work. Practical, its retractable holster pockets keep your tools within easy reach.

Summary Marketing Shorts (240c)	These metal-free trousers combine comfort and durability. Their stretch fabric moves with you, and their EN 14404+A1 compliant kneepad pockets provide protection when you're on the ground. Conveniently, their retractable floating pockets keep your tools within easy reach.
Web Technical Details	<p>Comfort and flexibility: Its stretch fabric naturally adapts to your movements. Its lightweight material provides extra comfort.</p> <p>Longevity and durability: Its various reinforcements (knees and back) extend its lifespan.</p> <p>Protection and safety: Its EN 14404+A1 certified knee pockets, reinforced with waterproof 300D Oxford, protect your knees during prolonged ground work when used with INOX kneepad 028300.</p> <p>Support and Stability: Its elasticated waistband on the sides ensures a perfect fit to your body shape, while its 5 belt loops, including 1 wide, keep the belt stable during movement.</p> <p>Functional: Its 2 reinforced, retractable multi-compartment floating pockets keep your tools within easy reach. The left pocket offers practical volume for nails and screws, while the right pocket includes 2 tool-holder sub-pockets. When not in use, they fold neatly into the hand pockets. Multiple additional pockets help you stay organized throughout the day: 2 reinforced hand pockets, 2 retractable floating multi-compartment pockets, 1 left bellows pocket with flap and hook-and-loop fastening with integrated tool holder, 1 right ruler pocket, 1 left back pocket with flap and hook-and-loop fastening, and 1 right bellows back pocket with flap and hook-and-loop fastening.</p> <p>Metal Free: Designed without any metal, these trousers offer increased safety in situations exposed to electrical hazards.</p>
