Text

Short text	Stretch multi-pocket jacket compatible with industrial washing - unisex
Marketing Summary	This jacket combines practicality and performance for everyday use. Comfortable, its stretch fabric naturally follows your movements. It retains its color and shape for up to 50 industrial wash cycles, in accordance with EN ISO 15797. Its multiple pockets allow you to organize your tools easily.
Web Technical Details	<p>Comfort and flexibility: Its XLA stretch fabric naturally adapts to your movements. Resistant to high temperatures and repeated washing, it retains its flexibility over time.</p> <p>Functional: Multiple pockets for easy daily organization: 1 right chest pocket with zip under flap, 1 inner chest</p>

pocket with compartments, 2 lower pockets with flap and hook-and-loop fastening, and 2 inner lower pockets with compartments.

Adjustable and comfortable:

The slit cuffs, adjustable with double plastic snap buttons, allow you to roll up your sleeves as you wish. The elasticated waistband on the sides provides extra comfort.

Industrial washing:

It withstands recommended intensive professional care cycles (50 industrial washes at 75°C and tunnel drying at 155°C, in accordance with EN ISO 15797).

Smart details:

Its high collar provides effective protection against wind and cold and ensures full protection against everyday risks. Its fastening is covered by a flap with plastic snap buttons, protecting car bodies and other sensitive surfaces. A hook-and-loop patch on the sleeve allows you to attach your SST badge.
