	Protection and safety: Its inner single-position knee pad pockets add extra comfort during prolonged ground work. Their top-loading design allows quick and easy insertion of knee pads. Functional: Multiple pockets for easy daily organization: 2 reinforced Italian pockets, 2 thigh pockets with flap and hook-and-loop fastening with 1 integrated ruler pocket, and 1 right back pocket. Support and stability: Its waistband, adjustable with elastic and inner buttons, ensures an optimal fit to your body shape, whether you are a man or a woman. The 5 belt loops, including 1 wide at the back, keep the belt stable during position changes. Industrial washing: It withstands recommended intensive professional care cycles (25 industrial washes at 60°C and tunnel drying at 90°C, in accordance with EN ISO 15797). Smart Detail: The magic hem can extend the leg length by 2 inches, adapting to your size.
